FROM OUR FAMILY TO YOURS

LEFT TO RIGHT: Alfred Audi, Aminy Audi, Edward Audi, Andrea Audi and Carolyn Audi Fischi

Dear Friends,

We hope that the newest Stickley Fine Upholstery Catalog will inspire and help spur discoveries. Whether practical additions or daring new approaches, each page brings you another step closer to the surroundings of your dreams.

This new format catalog focuses on providing the most diverse range of looks, styles, and feels. Every piece is designed to create unique rooms that reflect your personality, sense of style, and the way you and your family live your best lives.

Stickley's comprehensive variety of unique style is designed to compliment the many facets of the Stickley product line—from the purity and authenticity of Arts & Crafts to the contemporary flare of the Metropolitan Collection and Mid-Century Modern. Our constantly evolving designs reflect our society's ever changing ethos every year.

And while we've evolved, our commitment to quality has remained unchanged. Since Gustav Stickley and his brother Leopold's original promise to provide the finest quality, every piece has been made with honor, integrity, and pride. The Stickley name on furniture is a promise of exceptional consistent quality.

Our craftsmen and craftswomen of Manlius, New York, and Archdale, North Carolina, continue to use this original promise as a guiding beacon. Time-tested construction methods, honest materials, and passion for the work—all combine to ensure an unrivaled approach to excellence that spans centuries and creates furniture that can be passed down for generations.

We hope that you find the inspiration you seek to create your dream home in this book and that we can soon count you amongst the ever-growing number of people who have discovered the pleasure and pride in owning Stickley Fine Upholstery.

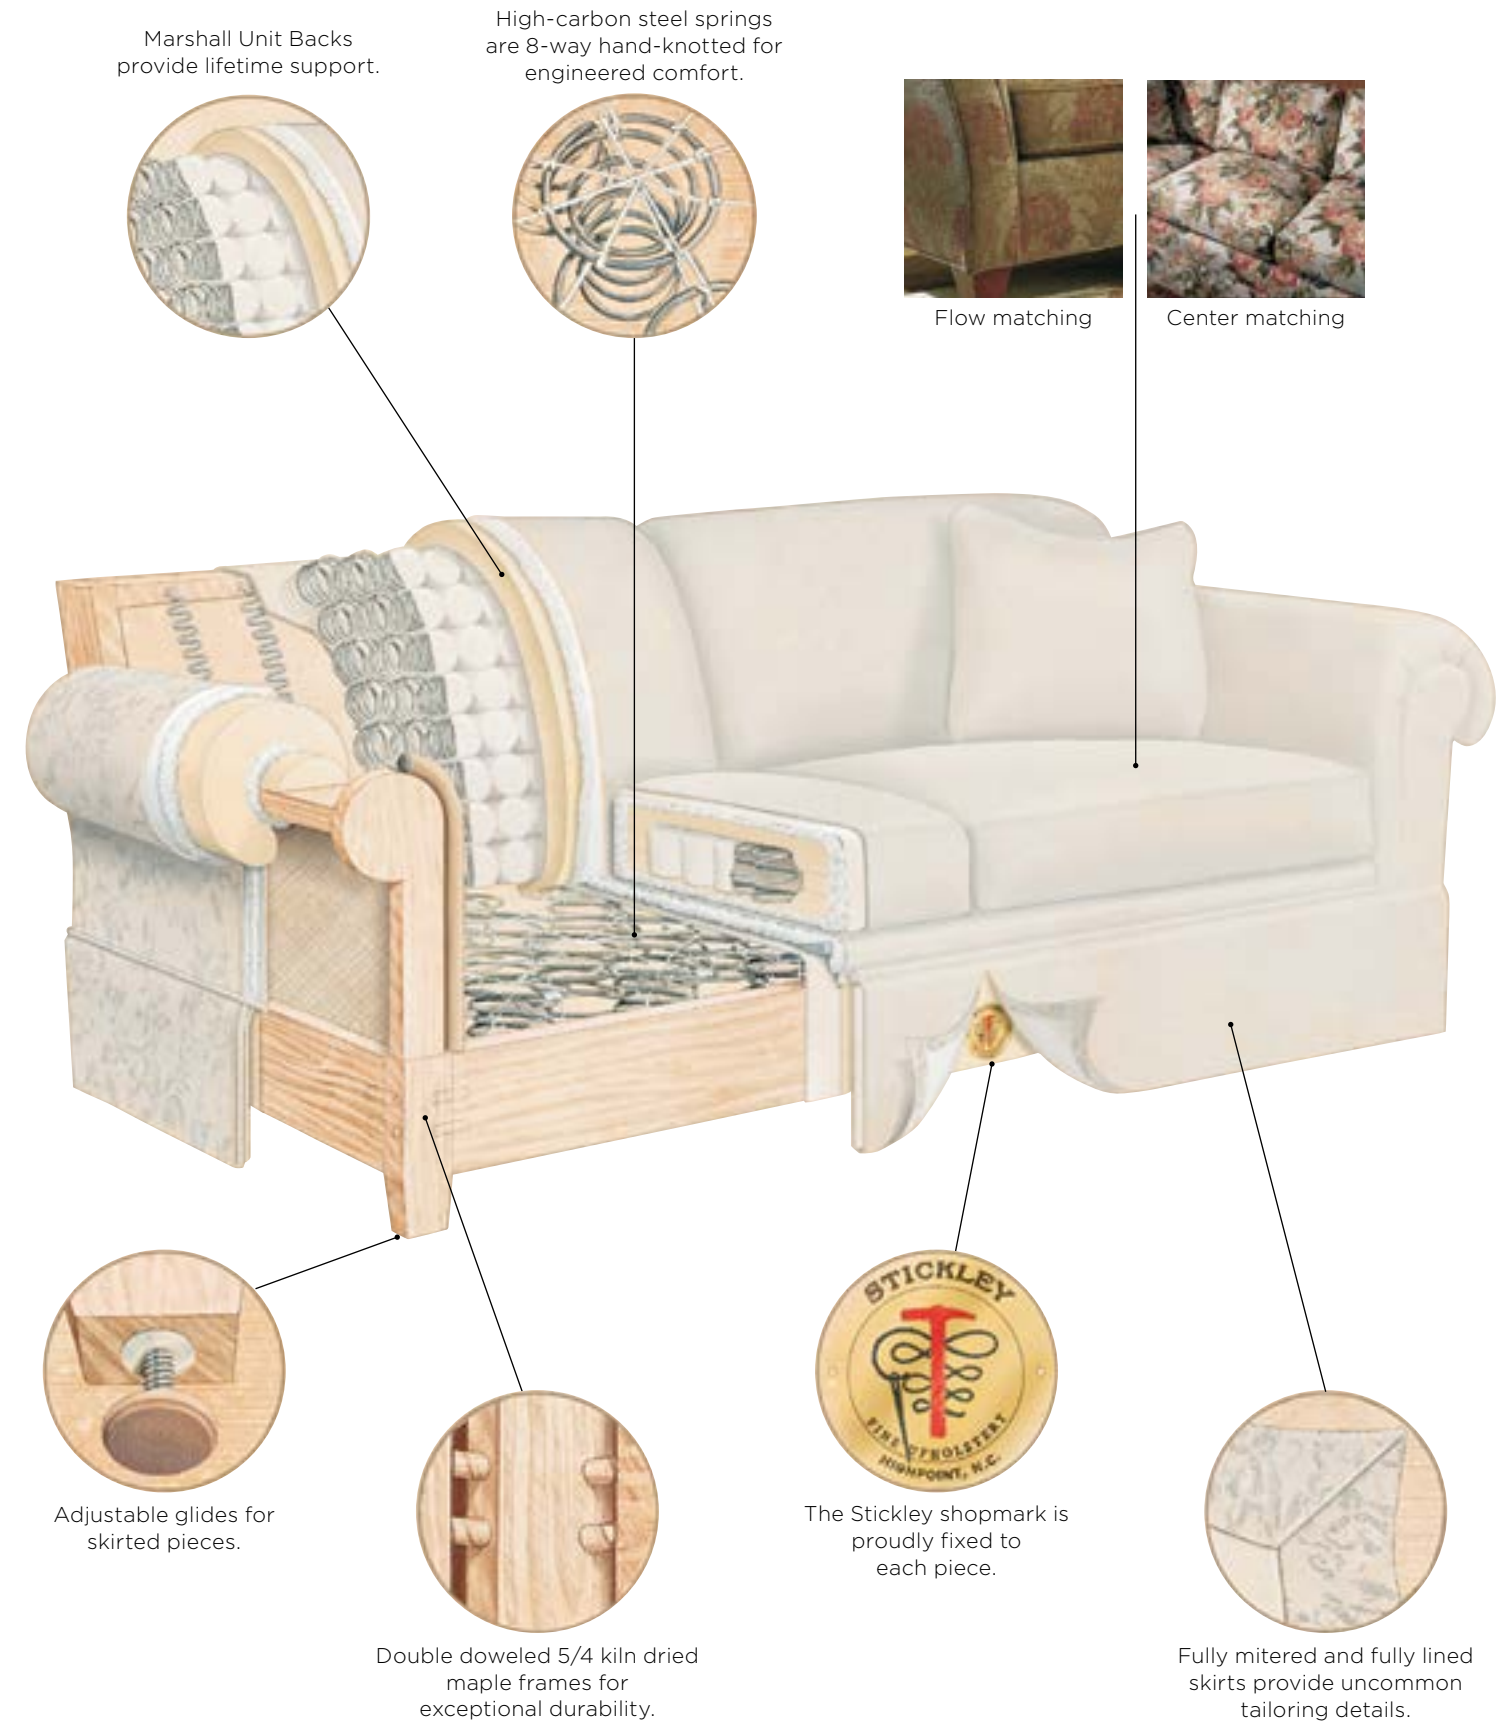

Very sincerely,

Aminy I. Audi
CEO & Chairman of the Board

Edward J. Audi
President

Chairs

A place to dream, or converse with friends— we have what will become your favorite chair. The Leopold Chair, shown below, illustrates how opulent tufting, hand-placed nail-head trim and beautifully carved wood come together in unsurpassed beauty. This chair is an L. & J.G. Stickley classic from the 1930's and has been our most popular chair since it was reissued in 1996.
